Book File Details:

Review: If you are a street photographer (and love black and white) this is a book that you MUST get for your library. The print quality is phenomenal (Steidl) and the narrative, flow, and sequencing of the book really takes you on an amazing journey. If I could only have 10 photobooks (while stranded on a desert island) this would be one of them. What I love...

Description: In 2003, Trent Parke began a road trip around his native Australia, a monumental journey that was to last two years and cover a distance of over 90,000 km. Minutes to Midnight is the ambitious photographic record of that adventure, in which Parke presents a proud but uneasy nation struggling to craft its identity from different cultures and traditions....
